

Honda Hoot 2008 RV Parking Information

Dear Hoot Vendor:

Due to security reasons, no exhibitors are allowed to stay overnight in Chilhowee Park. We have rented from the City of Knoxville a grass area just east of the park grounds. The space is on the corner of Prosser Road and Zoo Drive (near where the attendees enter). The location is within walking distance to the vendor show, about a ½ mile, but you can also use your car or motorcycle. We will not provide a shuttle from this location.

The RV area is flat and grassy with fencing. We will provide 24 hour security, but assume no responsibility for property or personal injury at the location. There will be water available, although not right at your site. We can have pumping arranged at an additional cost.

Electrical will be available at each space. The hookup provides for 30 Amp 110 Volt RV receptacles only. Please make sure your RV can run within those guidelines.

Vendors that do have their own vehicles will be given day pass parking permits to park in the vendor parking area at Chilhowee Park. RVs will not be allowed to use the day parking at Chilhowee due to space limitations.

Alternatively, if you are interested in staying at a full service campground here are the two closest to Chilhowee:
